Welcome new League Member! We are pleased with your interest in our local League, the League of Women Voters South County. The League believes participation in the political process is crucial to our democracy.

Our local League meets monthly, the second Wednesday, at the Dime Savings Bank, 31 Franklin Ave. in Westerly. We try to alternate business meetings with programs of interest to the public. All meetings are open to the public. Individual membership is \$50 yearly for an individual, most of which goes to the National League.

Our major emphasis is presenting Candidate Forums in our local areas to inform voters on issues and candidates. These forums consume most of our members' time in an election year. With increased membership can also study local, state, or national issues, conduct voter registration drives, produce cable TV shows, and conduct fundraising.

Since the 1920's, the League has fought to improve government and encourage all citizens in the decisions that impact their lives. We urge you to lend your voice and ideas to our League as we plan the programs for the coming year.

Please fill out the form below and send to Marguerite Long, Membership Chair at the above address.
